P. G. Department of Chemistry has organized one day seminar on preparation of NET and SET examination in collaboration with Science Association on Friday, 17.03.2023. The workshop was designed as to bring together teachers and students to exchange their views and ideas for a better understanding in the subject. It was a special theme deals with to generate awareness in the subject. It aimed to encourage learning among college teachers and students. The main aim of the workshop was to generate confidence in Chemistry students to face NET and SET examinations. Dr. S. R. Patil, Assistant professor, Department of Zoology welcomes and introduce

the guests Dr. R. S. Dhabbe and Miss. Pradnya Khandagale and gave the foreword.

In first session Dr. R. S. Dhabbe, Assistant Professor, Department of Chemistry, Jaysingpur College, Jaysingpur delivered the lecture, in which he discussed new guidelines and nature of NET examination. He also discussed UGC NET and its details in terms of eligibility, exam pattern. Clear understanding between UGC NET assistant professor and JRF was made known to the students. Tips regarding clearing exams were shared including preparation for Paper I and Paper II. He also spoke about careers in teaching and research. Details on research fellowship and stipend was shared with the students if they obtain for full time PhD. He also shared his experiences to achieve the success in these exams.

In second session Miss. Pradnya Khandagale, research fellow, BARTI delivered the lecture, in which she discussed new guidelines and nature of SET examination. She discussed about SET exam and preparation of SET examination. She also shared her experiences to achieve the success in these exam. During the session number of queries of the students about NET/SET examination has been resolved. This lecture received good response from Students. Miss. N. S. Mujawar proposed vote of thanks.

The purpose of research is to inform action. Research must always be of high quality in order to produce knowledge that is applicable to the society for its betterment. It is very important to explore the knowledge amongst students to perform research. Taking this into the consideration, P. G. Department of Chemistry, Jaysingpur College, Jaysingpur has organized a Workshop on Research methodology for M. Sc. II year students on 2<sup>nd</sup> February 2023. Dr. R. S. Dhabbe, Assistant professor, Jaysingpur College, Jaysingpur has introduced and welcomed Dr. Sandip Patil, Director and Founder, Biocyte institute of research and development, Sangli and Associate professor and HOD Dr.

Shivajirao Kadam College of Pharmacy Kasabe Digraj. Almost 56 students and 11 teachers of our college participated in the workshop.

He has discussed methodologies of doing research such as research paper searching, research paper reading, research paper writing and characterization techniques. He also explained in vitro screening techniques. During the session number of queries of the students about research has been resolved. This lecture received good response from participants. Dr. S. R. Sabale proposed vote of thanks.

**Name of the activity:** “Two-Day Workshop on Mathematical Software”

**Report:**

Python is a computer programming language often used to build websites and software, automate tasks, and conduct data analysis. Python is a general-purpose language, meaning it can be used to create a variety of different programs and isn't specialized for any specific problems.

Scilab provides a high-level matrix language and allows to define complex mathematical models and to easily connect to existing libraries. That is why optimization is an important and practical topic in Scilab, which provides tools to solve linear and nonlinear optimization problems by a large collection of tools.

“Two-Day Workshop on Mathematical Software” organized by department of mathematics Jaysingpur College, Jaysingpur for all B.Sc. students to make them aware about various Mathematical Software and trends in the field of science after graduation on 27/04/2023-28/04/2023. The lecture in this workshop was given by Mr. Mehul Jadhav, Assistant Professor, Department of Mathematics, New College, Kolhapur has delivered a lectures on the topic Python and Scilab programing.

#### Guest lecture report

Wild life week is celebrated all over the world in the first week of October every year to protect animal life. It was first started in the year 1952 with the great vision of biodiversity by taking some critical steps. IQAC, Department of zoology and Department of Botany celebrated wildlife week in Jaysingpur College, Jaysingpur from 1<sup>st</sup> to 6<sup>th</sup> October 2022. The program aimed to create awareness among the youth to have a passionate heart for biodiversity around them. During the celebration several Presentations, competitions were organized with a mural making workshop and butterfly walk for students to raise consciousness in favor of wildlife preservation.

On 6<sup>th</sup> October a guest lecture was arranged, the program was started at 11:00 am at conference hall, with the welcome of Chief guest Mr. Raman Kulkarni (Honorary wildlife warden) Anchors for the program were Miss Yogita Sutar and Miss. **Date: 05<sup>th</sup> November, 2022**

Department of Commerce organised One Day Workshop on “Research Project and Report Writing” on 5<sup>th</sup> November, 2022 for M. Com. II students in conference hall. The workshop was arranged in two technical sessions.

**Session I:**

- Mrs. S. R. Nakate Head, Department of Commerce, Jaysingpur College, Jaysingpur introduced and welcomed all the dignitaries and students.
- The Resource Person for the first technical session was Dr. U. R. Shinde, Head, Department of Commerce, Sadashivrao Mandlik Mahavidyalay, Murud. He presented his views on Research Project, Examination Pattern, Marking System for the research project through PPT and guided the students how to write the Research Project and motivated to the students accordingly. He also shared the importance and need of research in everyone's life and its prospective. He interacted with the students. In the interactive session, most of the students cleared their doubts and queries.
- The session was chaired by Prof. Dr. N. P. Sawant, I/C Principal Jaysingpur College, Jaysingpur. In his presidential address, he reviewed resource person speech and guided the students regarding innovations in research.
- Miss. A. J. Kamble from commerce faculty extended vote of thanks to all dignitaries on the dias and all the students.
- Mrs. Snehal Chougule anchored in this session.

**Session II**

- Mrs. S. S. Chougule introduced the second session and welcomed all.
- The Resource Person for the second technical session was Prof. Dr. N. L. Kadam, Vice Principal, Prof. & Head Dept. of Accountancy, Jaysingpur College, Jaysingpur. He encouraged our students about research with appropriate examples, Videos and PPT. He shared how research can be developed effectively, what is the importance of research

and what are the problems faced by students while doing the research. Patience is the best weapon of research was elaborated by him. He expressed his thoughts about how students can make research from various fields, use of research, tools and techniques used in research, selection of samples, research methodology, types of data collection, setting the objectives etc.

- The session was chaired by Mrs. S. R. Nakate Head, Department of Commerce, Jaysingpur College, Jaysingpur. In her presidential address, she reviewed the speech of the resource person and shortly informed all the students about the exam pattern – Viva-Voce and guided the students how to select the research subject and how to write the report. Miss.
- Miss. A. J. Kamble extended vote of thanks to all dignitaries on the Dias and the students. workshop.

As a part of the syllabus M. Com. Students get detail knowledge regarding research project. This one day workshop was a perfect guidance for the commerce students regarding Research Project and Report Writing.

**Date: 21<sup>st</sup> April, 2023**

Department of Commerce organised One Day Workshop on “Research Project and Report Writing” on 21<sup>st</sup> April, 2023 for M. Com. I students in Commerce Department.

Prof. Dr. N. L. Kadam, Vice Principal and Head Department of Accountancy introduced and welcomed all the dignitaries and students and also elaborated the main intention behind the organisation of the workshop. He also shared his views on the importance and need of research in everyone's life and its prospective. Mrs. S. R. Nakate, Head, Department of Commerce introduced the resource person of the workshop and encouraged students about research with appropriate examples, Resource Person for the workshop was Prof. (Dr.) N. M. Mujawar, Vice Principal and Head, Department of Commerce, Venkatesh Mahavidyalay, Ichalkaranji. He presented his views on Research Project, Examination Pattern (Viva-Voce), and Marking System for the research project through PPT and guided the students how to write the Research Project and motivated to the students accordingly. He shared how research can be developed effectively, what is the importance of research and what are the problems faced by students while doing the research. Patience is the best weapon of research was elaborated by him. He interacted with the students. In the interactive session, most of the students cleared their doubts and queries. The workshop was chaired by Principal. Dr. S. A. Manjare. In his presidential address, he reviewed resource person's speech and guided the students regarding innovations in research. He expressed his thoughts about how students can make research from various fields, use of research, tools and techniques used in research, selection of samples, research methodology, types of data collection, setting the objectives etc. He demonstrated the various statistical tests of hypothesis testing with the help of Excel. Mrs. S. S. Chougule from commerce faculty extended vote of thanks to all the dignitaries on the dias and all the students.

As a part of the syllabus M. Com. I, students get detail knowledge regarding research project. This one day workshop was a perfect guidance for the students regarding Research Project and Report Writing.

### GUEST LECTURE ON “SAMPLING TECHNIQUE”

Department used to take oral feedback from the students about their learnings in departments. This year we found that, Students feels little difficulty in understanding the concepts from “Design of Experiment”, which may leads for problems in Entrance Examination. Hence Department of statistics has organised a guest lecture for the guidance on design of experiment with respect of M.Sc. Entrance.

Our guest is Dr. Godase from New College, Kolhapur. He has given some basic tricks in solving special types of examples in less time while giving entrance exams. Along with special emphasis on Design of Experiments, Dr. Godase also shared how to manage time in competitive examinations. In the beginning of function. Mr. R. D. Shinde has welcomed the guest and then towards end the function Miss. Asmita Madiwal has delivered Vote of thanks. Students are very happy to know some small tricks and basics to be known in Entrance examination.

### Report

#### Short term skill course in Preparation of household chemicals

The one day workshop under Short term skill course in “Preparation of household chemicals” has been organised on 11-02-2023. The goal of this course was to generate interest amongst the students about laboratory chemistry and entrepreneurship in chemical industry. Total 74 students of BSc III (2022-23) were participated in this workshop.

#### Dr. K. V. Gaikwad explaining the students about the making of floor cleaner during the workshop

The resource person and the chief guest Dr. K. V. Gaikwad guided students through demonstration and hands on training about the preparation of house hold chemicals such as phenyl, detergent, liquid-soap etc. Students individually made these material in laboratory, photos of those are attached with the report.

Mr. R. D. Tasgaonkar, Department of Chemistry welcomed all guests and discussed motives of workshop. Dr. R. D. Kale, Head, Department of Physics chaired the inauguration session. He congratulated the department on arranging this workshop. Principal Dr. S. A. Manjare visited the laboratory during the workshop.

# One Day Workshop on Laboratory Safety Workshop

**Organized by Department of Chemistry**  
**Date: 12-12-2022**

Safety is the factor of paramount importance in industrial and academic sectors. We come across many mishaps due to improper handling of the instruments and carelessness at work place. India has witnessed the unforgettable loss due to industrial mishandling i.e. Bhopal gas tragedy in the international company union carbide. Similarly in our college the departmental chemistry laboratory completely burnt few years back. The students and non-teaching staffs are not well versed with proper handling of the instruments. Also the biological specimen should be handled with proper care. The exposure of biological specimen particularly microbes can cause severe hazardous to the mankind and livestock. Thus, it is important to be aware with identifications and use of emergency equipments and protective gears. Considering the importance of the topic our department has organized one day workshop under leadership of Prof. (Dr.) B. M. Sargar on Date 12-12-2022.

Total 30 non-teaching staff and 07 faculty members were present during the workshop. The officers and staffs from fire brigade station Jaysingpur municipality were resource persons. During the active session the resource persons enlightened various safety protocol so as to avoid mishaps especially to avoid fire in the laboratory. They demonstrated proper handling of the fire extinguisher. The possible measures suggested by the experts are as below:

- Keep all the containers closed except when in use.
- Maintain adequate ventilation in the laboratory.
- Maintain ABC fire extinguisher in the laboratory.
- Minimize the quantity of flammable chemicals in the laboratory.

The workshop was very much beneficial for the participants for their own safety as well as safety of the laboratory.

P. G. Department of Chemistry and DST-FIST Analytical instrumentation laboratory has organized workshop on Hands on of Analytical instrumentation in collaboration with Science Association on Friday and Saturday 03.02.2023 and 04.02.2023. Dr. S. R. Sabale, M. Sc. Coordinator welcomed Dr. R. D. Kale, convener and all M. Sc. Students. Dr. S. J. Mane-Gavade introduced the theme of this day. The main theme of this workshop was to make the students aware regarding the sophisticated instruments UV Visible spectrophotometer, FTIR spectrophotometer, AAS, BET, HPLC, GC, and Fluorescence spectrometer housed in DST-FIST

laboratory. The workshop includes Hands on Training sessions on the sophisticated instruments.

All the students were divided into two groups for receiving effective hands-on training on instruments. Dr. R. S. Dhabbe (for HPLC), Mr. P. S. Chougale (for FTIR), Miss. A. A. Koli (for BET), Dr. S. R. Sabale (for GC) and Dr. S. J. Mane-Gavade (for UV) gave hands on training to students.

Going by experiences and feedback received from the students, it is very much clear that such exposure to several characterizations is very much helpful for them to improve their knowledge and pursue their research with higher quality. Finally the training was ended with full of happiness. Miss. A. A. Koli expressed the vote of Thanks.
